

## Fees for Basic Services – as of 7.18.2018

These fees are for services you receive at HealthCare Partners Medical Group offices. HealthCare Partners Independent Physician Associations (IPAs) have their own fee schedules. Fees may change. Your actual out-of-pocket costs may be less, depending on your insurance coverage.

Looking for the fees for other services? Please call the HealthCare Partners Patient Support Center at 800.403.4160.
